

# Editorial Board Meetings

This is a page for the meetings every month of the [Editorial Board](#) - Each month motions passed or rejected are moved to a month specific Editorial board page (see below). Undecided motions are carried over to the next month including their votes. Passing a motion requires votes of half plus one vote of all the current members. Members who don't vote in two consecutive meetings are no longer considered current.

**Anyone can join the Editorial Board Meeting**  (come in!, after the second month contributing in EB meetings you'll be considered a current member and decide on documentation issues)
