

# Auto TOC

Starting in Tiki12, a new feature to allow adding an automatic Table Of Contents ("Auto TOC") has been added to the Wiki. And starting in Tiki23, you can have more options via PluginAutoTOC

# Enable it

Auto-toc can be enabled as admin through the admin panel in "**Admin home > Wiki > General Preferences (Tab)**  
**> Section *Automatic table of contents (Page Display before Tiki 15) > Wiki auto-toc***"

You can also choose:

- the default for each page (which can be overridden per page)
- If the top TOC should be inserted into the page content or not
- Position left or right
- Offset from the top

Automatic table of contents

Wiki auto-toc	<input checked="" type="checkbox"/>  
Table of contents default	<input type="text" value="Off"/>   
Inline auto-toc	<input checked="" type="checkbox"/>   
Table of contents position	<input type="text" value="Right"/>  
Table of contents offset	<input type="text" value="10"/> <input type="text" value="pixels"/>  

Click to expand

Auto TOC is not included in the print view of the page.

# Usage

Auto-toc will add the TOC in two places.

1. A static TOC located at the top of the page. The TOC is inserted into the page content at runtime.

• Example:

The screenshot shows a web page for a collaborative community profile. At the top, there is a heading "Thank you for installing the Collaborative Community Profile" followed by a sub-heading "Welcome to Our Community". Below this, there are three main sections: "Step 1: Explore", "Step 2: Ask a Question and Give Feedback", and "Step 3: Contribute". Each section contains a list of actions. A floating TOC is visible in the top right corner of the page content, listing the main sections and their sub-sections.

**Thank you for installing the Collaborative Community Profile**

We recommend you visit the [Instructions](#) page to learn how to manage and use this profile

**Welcome to Our Community**

Welcome to our community site, the goal of this project is to create a knowledge hub for everyone who is interested in this subject to participate and collaborate together.

**Step 1: Explore**

- Search for Content
- Visit Wiki Pages
- Read Blogs and Forums

**Step 2: Ask a Question and Give Feedback**

- Register to become part of the community
- Ask questions in the Forums
- Give feedback using Comments at the bottom of any page

**Step 3: Contribute**

- Start Creating, Editing and Enhancing our Community Knowledge Base.

**Table of Contents (TOC):**

- Thank you for installing the Collaborative Community Profile
- Welcome to Our Community
  - Step 1: Explore
  - Step 2: Ask a Question and Give Feedback
  - Step 3: Contribute

Click to expand

2. A floating TOC, located at the top of the browser window. This TOC is only visible when you scroll down past the top of the page.

• Example:

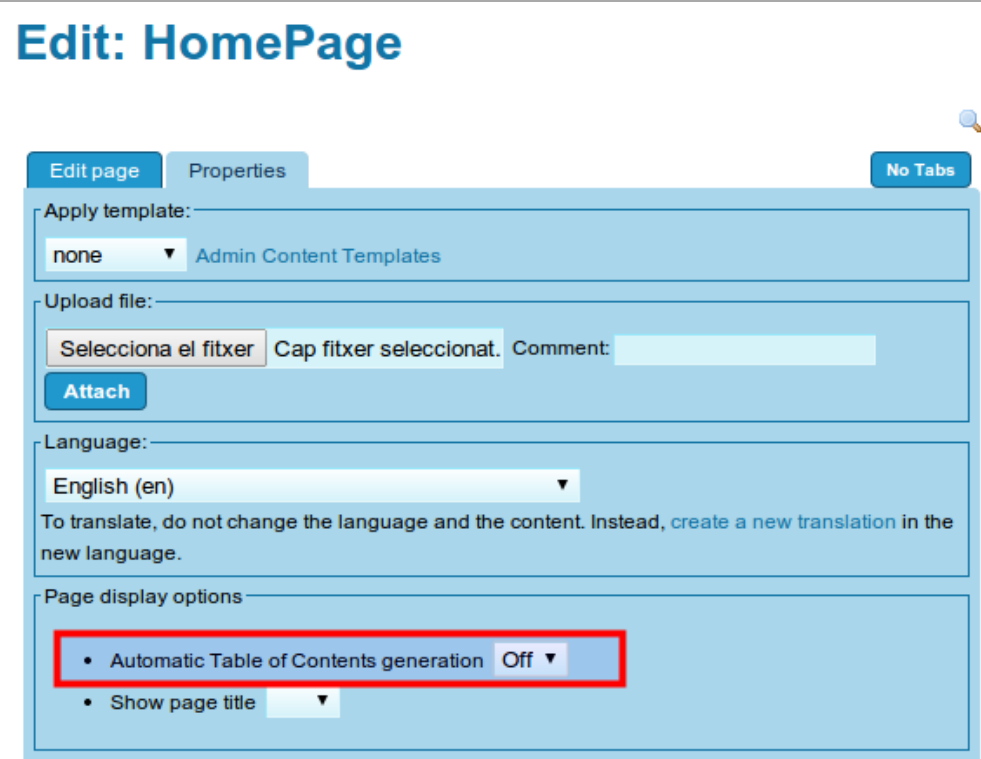

Click to expand

Additionally, you can also see it in action in the screencast below.

```
{flash type="url" movie="https://dev.tiki.org/display372" width="550" height="500"}
```

# Disable it in some pages

You can disable it in some wiki pages. In order to do so, edit the page, go to the properties tab, and set "**Page display options > Automatic Table of Contents generation**" to "**off**":
