Connect

Overview

Use this page to "connect" with the Tiki Community. You can also send feedback and usage information to the developers.

To access

Click the **Connect** icon on the Admin Panel
or Access **http://example.org/tiki-admin.php?page=connect**

Tabs

This page contains the following tabs:

Note

This feature was introduced in Tiki8. Tiki Wiki CMS Groupware is Free/Libre/Open Source Software (FLOSS). It is a community-driven project which exists and improves thanks to the participation of people just like **YOU**!
