paths for gd and imagemagick

Posted by [Rick Cogley](#) Sun 18 Jan, 2004 07:54 GMT-0000 posts: 10 

In the tiki_preferences table, there is a field to hold the image library - gd or imagemagick.

However, where does Tiki store the paths to those libraries on your server?

Regards

Rick

Tiki don't store the path to those libs as it's the role of PHP in php.ini
